

Elizabeth Stewart

elizabethstewart.com mail@elizabethstewart.com 213.446.2194

My professional skills have been developed through conceptualizing, and directing major interactive and social media campaigns at leading advertising agencies for corporate clients. I excel at leading teams of designers, writers, developers, and producers in executing successful work under tight creative time constraints. My broad knowledge allows me to direct campaigns that involve all aspects of the digital landscape. I am an unapologetic perfectionist.
